St. Anthony of Egypt (A.D. 251-356)—January 17

Anthony was a religious hermit and one of the earliest Desert Fathers, considered the founder and father of organized Christian monasticism. His rule (book of observances) represented one of the first attempts to codify guidelines for monastic living.

A disciple of St. Paul of Thebes, Anthony began to practice an ascetic life at the age of 20 and after 15 years withdrew for absolute solitude to a mountain by the Nile, where he lived from about 286 to 305. During the course of this retreat, he began his legendary combat against the Devil, withstanding a series of temptations famous in Christian theology and iconography. About 305 he emerged from his retreat to instruct and organize the monastic life of the hermits who imitated him and who had established themselves nearby. When Christian persecution ended after the Edict of Milan (313 A.D.), he moved to a mountain in the Eastern Desert, between the Nile and the Red Sea, where the monastery still stands. There he remained, receiving visitors and, on occasion, crossing the desert to Pispir. He ventured twice to Alexandria, the last time (c. 350 A.D.) to preach against Arianism, a heretical doctrine teaching that Christ the Son is not of the same substance as God the Father. Anthony died in solitude at age 105.

Season Three—

After Jesus delivers the most impactful sermon (on the Mount) in history, the disciples assume life will improve now that they're following the Messiah. Judas has joined the group, Simon and Eden are reunited, and everyone is ready to live out His teachings.

But problems emerge quickly. The pressure increases from the Romans and the religious leaders, and with thousands of pilgrims pursuing Jesus, the disciples can't decide if they should hide or fight. They get even more confused when they face everything from a marital crisis to a disastrous mission and Jesus doesn't immediately provide solutions.

It all reaches a stunning climax when Jesus and the disciples are surrounded by over 5,000 people in a dangerous region, and with tensions high, they run out of food. Until a little boy with five loaves and two fish shows up.....
