If so, please specify: _____

Your role in the faith formation of your child is central. No one can replace you, not even the parish program. The parish program is here only to reinforce what you do at home. If you are engaged with your faith, chances are your child will be too. It is an expectation that the parents of candidates be actively involved in the learning process and work with and teach their child at home as well as during the group sessions. Signing below indicates your agreement with and full support of the above statement.
